Company Profile

Bigcc stands as a benchmark enterprise in China's sintered stone industry, specializing in the R&D, manufacturing, sales, and integrated solutions for mid-to-high-end sintered stone products. Originating from a ceramic tile business established in 2006, the company underwent a strategic transformation in 2019, officially entering the sintered stone sector.

Operation Philosophy:

Lead industry innovation, prioritize quality, deliver ultimate service, and pursue win-win cooperation.

Strategic development direction:

Enhance intelligent manufacturing capabilities, achieve breakthroughs in core technologies, expand global network deployment, and perfect the industrial ecosystem.

Service Concept:

Ultimate service, worry-free experience throughout.

Corporate Mission:

Empower employee growth, realize customer value, and lead the industry's future.

Corporate Vision:

In the future, bigcc will continue to drive development with innovative core technologies. Through intelligent upgrades and global expansion, we are committed to improving the industrial ecosystem and becoming a world-class sintered stone solutions provider.

ESSENCE SERIES

Essence Series represents a design philosophy of 'simplifying the complex and returning to the essence.' Free from intricate textures or vibrant colors, they create a spatial atmosphere through low-saturation solid colors, delicate textures, and the play of light and shadow.
